Letter No M65-121-457/44 & 7-4-45 from the Addl, Cy Mkt Cl, Mysore stating that owing to the issuing Meat Control order prohibiting the slaughter of animals on two days in a week & requesting that the loss sustained by them may be subsidized.

1) The Contractors also have submitted applications to grant them proportionate reduction in the Khist amount.

2) It is stated that at one fourth rate of the Khist, the subsidy comes to Rs 456 approximately per month

3) It is requested that this amount may be paid from 1st Jany 1945,

4) Submitted orders

KHB 20/4

5) I put up a copy of the Notification re Meat Control & a detailed note on the subject for reference

6) A copy of the Meat Control order of Jany 1948 is put up

7) According to the above order, the slaughter of animals on every Monday & every Thursday is prohibited. The Contractors who have taken the contract for the slaughter of animals in the slaughter

(Sheep & Beef) 6717

houses, have made a representation that proportionate reduction should be granted to them in recovering the contract amount. The applications of the contractors were placed before the meeting held on 31-3-45 and they have resolved that Govt be requested to subsidize the amount of the loss to be sustained by the mkt in giving reduction to the contractors in their (Mush) amount. The one fourth of the loss to the mkt by giving reduction to the contractors is estimated at Rs 450 approximately every month

8) The Dept requests to make up the loss by Govt from Jany 1945.

9) submitted with reference to Para 6 supra

26/4

10) Proportionate reduction of Mush amounts - not exceeding one fourth of the amounts to be made in favour of the Contractors for the Sheep & Beef Slaughter houses in Hyderabad City for the year by 44-45, as the circumstances are beyond the control of the contractors. The situation for 1945-46 would be all right, as the contractors would exactly know the working of Govt in this

behalf and would bid according to the revised Conditions prescribed in the Notice calling for tenders on their behalf. Sanction of Govt may be given to allow the reduction of Khas amount as received by the Mcl - for a sum not exceeding Rs 456/- p.m. from June 1945.

11) The next point is that Govt may be pleased to make good the loss to the Mfg by a subsidy to the above extent. This is a question of policy & the Govt Central ordering 1945 affects all the mills in the State. My connection is only to the Myrmecife mill would have to be extended to other Mills as well. The report of the Myrmecife mill in this behalf is for info.
